

Christie Ward, CSP

(Certified Speaking Professional)
Principal of The Impact Institute

Here's a few accomplishments that make Christie a leader, on and off the platform:

- Taught in Inner City schools and Colleges in 3 states.
- Lost 90 pounds and kept it off since 1985.
- Shepherded her daughter through a bone-marrow transplant.
- Directed a world-wide, internationally-acclaimed trainer corps of over 200.
- Took a sales team to the top quarter-after-quarter as a Client Development manager.
- Personally coached the World Champion of public speaking in 2000.
- Lowered Union grievances 66% with a company-wide training intervention at AT&T in Denver.
- Turned around numerous mission critical teams in federal and local government.
- Voted Chair by her peers of the prestigious National Advisors to Chapters for ASTD and served on the National Board for ASTD (now ATD), 2011-2012.
- President for NSA Colorado, 2010-2011 (voted Member of the year 2008, 2009 and 2011)

Testimonials

“You did a great job of connecting with your audience. One of our members summed it up well by saying “Christie was engaging, inspirational and real.”

—**Christine Des Enfants, Executive Director, Cherry Creek Chamber of Commerce, CO**

“Thank you so much for speaking at our conference! Our sales team is still raving!”

—**Rebecca Magnotta, General Manager, DISH Network**

“I am feeling very successful because of you! Your presentation has received more positive feedback from our staff than any presenter in three years. You're a hit! Your straight talk and commonality with the whole audience made them feel special and inspired.”

—**John Keith, Community Partnership for Child Development, Colorado Springs, CO**
